Getting Started

Step-by-Step Instructions:

1. **Navigate to OWASP Juice Shop**
   - Navigate freely through the shop to get confident with its features
   - Navigate to: http://localhost:3000/#/score-board in BurpSuite Browser to start the challenges
   - Many challenges, especially 2-3 Star Challenges require BurpSuite and it is recommended to browse the Site with BurpSuites Browser and research with firefox
   - The ctfSupport Folder on your desktop contains links to BurpSuite Feature Tutorials
   - wordlists are found in /usr/share/wordlists
